

## AMS Connect

Hobart Skin Cancer Clinic is pleased to announce that we are now using an online booking platform called Automated, **AMS Connect**.

This booking platform allows you, the patient, to have better access to booking skin checks. AMS Connect also means your doctor will be able to send you more detailed communications regarding your health, including when to come back once your results are back, and can now send you personal messages regarding your results as needed. AMS Connect also puts you in control of your health by being able to book your full skin check and skin spot checks. To get started you can book online via the booking button on our website, [www.hobartskincancerclinic.com.au](http://www.hobartskincancerclinic.com.au) or by downloading the free **AMS Connect** mobile app from your app store.

### To get started making and manage your appointments from the mobile app:

1. Download **AMS Connect** from your app store or scan the QR code below using your phone's camera.
2. Open the app, search for **Hobart Skin Cancer Clinic**, and tap 'Select'.
3. Complete a once-off registration by entering your details and agreeing to the terms and conditions – tap 'Register'.
4. You will receive a once-off SMS code, enter it, and tap 'Verify'.

You are now registered and will see the Home Page each time you open the app, from which you can view and manage existing appointments and make new appointments for you and your family.

***Please note:** We may also send you SMS notifications from time to time to remind you of upcoming appointments, etc. These messages will always be from our dedicated SMS number, 0439 832 801. Please save this number in your phone, so you can be sure the messages you receive are from our clinic.*

If you would like assistance, please ask our friendly reception staff.
